**Over a decade sponsoring Country Football.
Over 30 years helping keep workplaces safe.**

Well it's finally here. It's been a long process bringing together this new competition and after months of waiting we can finally kick off a new era of sport in the Outer Eastern Region with a clash between two of our incoming South East clubs – Berwick and Narre Warren.

Once that first ball is thrown, kicked, marked or caught we will be able to put all of our collective energies into creating immense momentum behind the AFL Outer East and all it's competitions.

I'd like to thank all clubs for their patience and support and the AFL Outer East Commission and Staff who have put in a mountain of work to get us all to this point. In particular I'd like to welcome our new staff; Sheryn Harbert - our

new Finance Officer, Allan Grant - our Director of Umpiring, Greg Heinrich - who has taken on the role of Netball Development Manager and Matthew Fotia - who is the league's Media Manager.

Of course I would like to thank all of our sponsors, with special mention to Competition Sponsors - Bendigo Bank, Yarra Valley Water, Divisional Sponsors – Totally Workwear Berwick and Knoxfield, Hallam and Bayswater Truck Centres, ATC Traffic, Junior Sponsor – Glenbrae Signs and Media Partner GameFace.

Hopefully this year is your clubs year and success meets you at the end.

Supporting the lifeblood of regional communities

WorkSafe is excited to once again partner with AFL Vic Country for 2019.

It's an ongoing privilege to be a part of country football and netball because these sports play such an important role in every regional community. They bring together families, friends, neighbours and mates to yell, cheer and compete in friendly – and sometimes not so friendly – competition.

It is an important partnership for WorkSafe because it gives us the opportunity to spread the message about workplace safety to an incredible mix of people from all walks of life.

The people you see here today are players, spectators, umpires, club officials and volunteers. But they are also farmers, tradesmen, businesspeople, shop assistants and workers from a hundred different industries who deserve to get home safe at the end of the day.

WorkSafe works hard with local clubs and leagues every year to promote workplace safety and the support and hospitality we receive from local communities is remarkable.

At our Games of the Month, we invite some of the biggest names in football and netball to come along to meet the locals, share their sporting stories and enjoy the big-day atmosphere.

Our Club Safety Fund, which offers financial support to clubs who have initiatives to make their players and supporters safer, will again be available this year.

But workplace safety is not just an issue for WorkSafe. We cannot do it alone. Every employer and employee must take responsibility for keeping safe at work. Everyone, every workplace.

And every family member who says goodbye to their mum or dad, their son or daughter, or their brother or sister as they leave for work each morning, can do their part by reminding them of the need to take care.

We ask all regional Victorians to stop and think about what is ultimately important to them. What can they do to prevent the death or injury of a loved one at work?

Through our involvement in country football and netball, we will continue to spread the message that no one should be injured at work.

Workplace safety is everyone's responsibility and we must work together to ensure a safer Victoria for all.

APPLICATIONS ARE NOW OPEN FOR THE COUNTRY FOOTBALL AND NETBALL PROGRAM

The State Government is giving growing football and netball clubs in regional Victoria another chance to upgrade grounds, courts and pavilions.

Applications are now open for the 2019 Country Football and Netball Program, with clubs in regional Victoria and outer metropolitan areas eligible to apply.

In partnership with the AFL, AFL Victoria and Netball Victoria, the program replaces and upgrades ageing facilities for football and netball clubs across rural, regional and outer metropolitan Victoria to meet growing demand and welcome more participants.

Grants of up to \$100,000 will go to projects that assist in ground resurfacing, installation of lighting, building modern and safer netball courts and new pavilions with accessible and female-friendly change rooms.

Since launching in 2005, the program has invested more than \$26.6 million in more than 480 projects across the state.

Minister for Tourism, Sport and Major Events Martin Pakula said, "Some of our greatest football and netball stars have come from country Victoria and we want our next generation of athletes to have the modern and safe facilities they deserve."

"Better facilities allow clubs to take on more players, host more events and draw in even bigger crowds which we know is even better news for the local economy."

Member for Eastern Victoria Harriet Shing said, "This funding continues our record investment in upgrading local clubs and facilities, and making sure that they are accessible, modern, fit for purpose and the heart of our communities for training, competition, gatherings and celebrations."

**For more information or to apply online, visit www.sport.vic.gov.au.
Applications close on 3 June 2019.**

Local footy is back and thank god it is! We've suffered through the long hot summer waiting patiently for the start of this all new competition. The amalgamation of the two competitions will not only increase interest in all our great clubs, but also strengthen the overall standing of the competition amongst other leagues in Victoria and of course Australia.

Whilst most of the competition will have to remain patient for their first crack at the ball (spare a thought for Woori Yallock and Alexandra who have the bye first up as well), Berwick and Narre Warren will reacquaint themselves this weekend in the SEFNL Football Grand Final Re-Match.

On the netball court Narre Warren enjoyed a clean sweep against the Wickers, winning convincingly each time they met each other, with the round two clash the closest of the contests – a 20 goal margin.

Berwick will be looking for a good combination between Goaler Cassidy Withers and their attacking mid courters Tayla Butterworth and Brittney Pym. Narre's skipper Brittany Mashado will look to dominate the centre third, whilst defender Gemma Osbourne will be the one to negate any of the Wickers attacking threat.

Narre were disappointed with a straight sets' elimination from last seasons netball final series, and will look to avenge that exit with a strong early win.

In football terms these clubs may be getting sick of one another, after five clashes during the

2018 season – three home and away and two finals. Narre were victorious in their first two battles but lost the last three which of course included the Grand Final.

In none of their encounters last season did a team score over 100 points. Narre went closest in round seven when they kicked 13.10(88) with Stewart Scanlon kicking four majors. He along with Mitchell Collins were the most consistent players for the Magpies against the eventual premiers, with Collins appearing in the best on four of the five occasions.

For the Wickers, the grand final performance of Travis Tuck is well noted, but throughout the entire season it was 2019 co-captain Bryce Rutherford who appeared in the best players during every one of the Wickers victories over Narre Warren. Look out for him again this weekend.

Premiership coach Stewart Kemperman parted ways with the club during the off-season, heading across to Doncaster in the EFL, with ex-coach Rhys Nisbet back at the helm of the Berwick machine. That change should lead to Berwick creating more scoring opportunities.

What can we expect to see this Saturday? Two professional clubs who will be looking to flex their muscles not only for their direct rivals on the field, but the numerous rivals they're about to introduce themselves to across the season. Oh and some fierce competition.

Umpiring in the AFL Outer East Region in 2019

The AFL Outer East start this season with a new look League and included in this is the position of Director of Umpiring of which I have accepted. I look forward to the upcoming season.

I have over some 45 years experience in umpiring coaching and developing umpires and remain very passionate about developing the culture of the Umpires group and its values both on field and off field, so with the season commencing this weekend you will most likely see a more unified group out on the field.

So with the inclusion of more teams the question would be asked how are we going to service the three leagues, however, we have come up with a MOU with AFL South East that for season 2019 that they will supply Umpires to our Home and away games across the three Leagues.

Umpiring the AFL Outer East Way:

Here at the AFL Outer East Region we have Umpires that service the games and we are committed to the development and recruitment of umpires at both junior and seniors. This season there will pathway groups that will assist the umpires in not only make the correct decision but be able to cope with the match day environment.

Over the preseason there has been some changes in where the umpires group will be training, so on a Monday Night we will be at Morrison Reserve Mt Evelyn for the Juniors at 5.30pm and then the Seniors at 6.30pm and then on a Wednesday night we will be using the facilities at Quarry Road Lilydale at 5.30pm for

the Juniors and 6.30pm for the Seniors.

We have a change of Uniforms this year also going to the National Colours of yellow top and grey shorts, however we will not be out on the ground with the new uniforms for at least the first two weeks - so umpires will be still in their blue attire.

We have several new umpires commencing their career this weekend in the Juniors in the field and they will be wearing a white type and black shorts with a red arm band which means they are a learning umpire and should be given the respect and consideration that a new umpire deserves from the public and the football clubs.

So with so much to look forward to throughout the season we will be hoping that we are being seen as a progressive group on and off the field.
